

Stickerbomb Standard License

In order to complete your purchase, you must agree to the following rules of usage. By purchasing, installing and/or using Stickerbomb Stock Media for any of the approved uses, including those listed in the chart in section 2.1 below, you signify your acceptance of this License Agreement, and in return for a license to use Stickerbomb Stock Media, you wholly agree to the following terms and conditions.

If you refuse to accept the contractual obligation defined in this License Agreement, you are not permitted to purchase, download and/or use the Stickerbomb Stock Media in any way, shape or form. Please fully and thoroughly read this License Agreement before agreeing to the conditions specified herein.

Stickerbomb reserves all rights not expressly granted to you under this License Agreement. The Stickerbomb Stock Media is licensed to you solely for your own business or personal use, and it remains the intellectual property of Stickerbomb and/or its licensors. It contains Stickerbomb Stock Media files with digital, machine-readable data, and is supplied to you by Stickerbomb for usage only.

TL,DR: You're purchasing a license, you're not purchasing media.

UPON FULL PAYMENT OF THE STANDARD STOCK MEDIA LICENSE, YOU ARE GRANTED:

- 1.1** A non-exclusive, single person right to use the Stickerbomb Stock Media. If the Stickerbomb Stock Media will be used by more than one person, then get an additional license under the same terms and conditions as this License! By trying to cheat the system, you're cheating the artists. If Stickerbomb finds out that multiple people are using this single seat license, then Stickerbomb reserves the right to bill you for an additional license or terminate your membership, at our discretion. Note: Stickerbomb does not guarantee that the Stickerbomb Stock Media will work adequately in all environments with all operating systems.

- 1.2** The right to make additional backup copies of the Stickerbomb Stock Media for the exclusive purpose of data backup. You can **ONLY** keep backups of the Stickerbomb Stock Media in the cloud, locally on a desktop, laptop or mobile device, or on a studio server, if you, as the single licensee of the Stickerbomb Stock Media is the **ONLY** person who maintains the backup. You

CANNOT make Stickerbomb Stock Media available to others in any way, including as a downloadable file, an email attachment, MMS message or via any other electronic method that exists now or in the future.

1.3 The Stickerbomb Stock Media, once downloaded, is intended for a single use NOT unlimited uses. Therefore, if you download the Stickerbomb Stock Media once, then you cannot use it across multiple campaigns, commercial uses, or clients. We have plenty of Media for you to choose from. You can find a different piece to use for your other purposes. Your clients and customers will thank you for the variety.

1.4 The right to transfer a copy of the Stickerbomb Stock Media to a commercial printer or similar service company, for the exclusive purpose of outputting specific file types (for example: as a high contrast black-and-white for silk screening). In the event of any further visual modification (that you did do yourself) of the Stickerbomb Stock Media by such a service company, the service company is required to purchase its own applicable license from Stickerbomb. You as the original licensee MUST inform the commercial printer/service company about this requirement.

2.1 PERMITTED USAGE FOR THE STANDARD LICENSE VS. THE EXTENDED LICENSES:

Currently the License types are limited and defined by the number of downloads you have available each month. Stickerbomb may grant you certain, extended licenses by request, including extending the number of uses available for each Media. Email: [INSERT CONTACT INFORMATION] to inquire about extended license opportunities.

Please note that these extended Licenses are defined by all the terms contained herein in this Standard License Agreement, with the addition of the specific applicable condition(s) mutually agreed to in writing. You may request an extended license at any time.

However, if you would like to use it as your trademark or in some way that is not permitted – just ask us. We can either put you in touch with the artist or grant you a special license.
- Use Stickerbomb Stock Media in "print-on-demand" products and/or services. Please contact Stickerbomb at: info@stickerbombworld.com and we can work with you on a custom extended license.

Given the above, You may add elements around the Media or use it as part of another design or layout or change the colours of the Media; however, the modified or derivative Media is subject to the same terms and conditions as the original Media under this License (as stated under Section 3 below). You may not, however, significantly modify the shape or the characteristics of the Media without express written consent from Stickerbomb or the Artist, due to the high value and originality of the Media provided via the Stickerbomb Platform. We allow for You to commission original works from the Artists themselves and highly encourage you to do so, so there should be no need for You to significantly modify the Media. Just use the platform and contact the Artist.

Example of unpermitted modifications: Adding an extra eye to a character; changing the position of the arm.

Example of permitted modifications (still subject to and a part of this License Agreement): Changing the colour of a character's hair.

Stickerbomb Stock Media is the valuable property of Stickerbomb Ltd. You CAN NOT modify Stickerbomb Stock Media or use it to create altered or combined Stock Media that you then make available to others as editable Stock Media. You will not make or have made, or permit to be made, any copies of the Stickerbomb Stock Media, documentation, or any portions thereof, except such copies as are necessary for the installation and use of the Stickerbomb Stock Media in accordance with the terms of this License Agreement. 4. Assignment

Assigning the license to a third party is not permitted, EXCEPT that if you are using this platform in connection with your position with a commercial entity, then you may transfer the usage rights and license to a third party who takes over your position ONLY if written notice and updated information is submitted to Stickerbomb and the third party agrees to adhere to the conditions of this license agreement for Stickerbomb Stock Media. This does not mean that you cannot use the Stickerbomb Stock Media for clients and customers. However, you are responsible for their actions as your name is on the License and so you need to ensure that they are adhering to the terms of the License or that you (or they) have purchased the appropriate License for their activities.

5. Exclusion of Other Usage

With exception only to the provisions listed in sections 1.3, 1.4 and 4 of this License Agreement, selling, lending or otherwise transferring the Stickerbomb Stock Media to any third party or parties is strictly prohibited.
